PFAS Public Policy & Communication

EPA Region 7 Presentation for the Missouri PFAS Workgroup

January 2023

“Protecting people from PFAS pollution is one of my top priorities, and it's why EPA set a clear path forward to tackle these chemicals through our PFAS Strategic Roadmap. We won't stop there — we'll continue our work to hold polluters accountable and protect public health.”

- Michael Regan, Dec 2022

Roadmaps 3 Primary Goals

- Research – Focus on science (exposure/effects/treatment
- Restrict – Prevent PFAS from entering the environment
- Remediate – Broadening and accelerating cleanup
